### Description

Over 200 original French tongue twisters to practice and perfect your accent in a fun way. Les virelangues (tongue twisters) are a fantastic tool to improve pronunciation, develop fluency and generally increase your confidence in speaking French. Many people mistakenly believe that they are simply a mechanism to keep children amused. In actual fact, they are a very effective way to improve your articulation and are often practised by anyone who speaks in public such as presenters, actors and even politicians! They help you to use and strengthen the requisite muscles and assist you to identify and familiarise yourself with the correct positions for lips, tongue and teeth. Includes a section on pronunciation and English translations throughout.
